

"VALUES OUTCOMES ACCREDITATION"

4 LEVELS

Accreditation Level 1

Understand the V.I.T.A.L. Paradigm

Criteria.

- More than 50% of Core Facilitators have completed a multi day or full V.I.T.A.L. 5 or 7 day training residential to fully understand and experience the "Kingdom Culture" paradigm.
- Know and can explain the paradigm through the framework of being "Beyond Rules" "Beyond Lectures" and "Beyond Fear" - based control.

Accreditation Level 2

Beyond Rules & Fear Integration:

Criteria.

- Able to competently setup a Handy Group Deal and use this method as a discipleship /values integrating process, opposed to being used as a behavioural management tool.
- Participants observed to take ownership of the Group Deal and agree to give and receive feedback.
- Keeping the Group Deal is the priority over the program in setting up a positive peer culture
- Beyond Fear based control = motivation is through relationship not fear of punishment or guilt laden messages.
- Using Invitational Language

Accreditation Level 3

Beyond Fear & Beyond Lectures Integration:

Criteria.

- Can competently explain, through action-based learning techniques the following models.
 - Potential model
 - Courage meter
 - Gaps model
 - Adventure model
- Can competently refer and link these models at appropriate briefing and debriefing stages to reinforce the motivations and "reason for the pain" that facing challenges and our fears will bring growth in our potential and happiness/fun.

Accreditation of Level 4

Beyond Lectures Integration:

Criteria.

- Able to competently sequence activities and debrief with Values based outcomes
- Diagnosing the changing Stages of Group and appropriately applying the Situational Leadership style needed.
- Can explain the sequence of activities in how these will extend the values growth and outcomes in a group and individuals.
- Competently facilitate the challenge level of each group activity to stretch the individuals values growth and potential leadership.
- Competently facilitate through the 5 stages of debriefing having the participants recognise their own values and personal growth.
- Competently encourage participants short and long term goal setting in transferring their learnings in their own home environments.

Sample of Accreditation

Values Outcomes Accredited Level IV
Proudly trained by VITAL ProJeX
2013-2014

Luther Heights Youth Camp

has achieved the highest level of understanding the process of group dynamics in creating an emotionally and physically safe environment that moves participants beyond Fear, Rules and Lectures, to bring out their maximum potential by focusing on "Values Outcomes".

Russ Wright
Managing Director
V.I.T.A.L. Projex

2013 -2014

beyond fear - beyond rules - beyond lectures
